

Fort Worth, TX (January 2010) – Martex Global Enterprise, LLC, manufacturer of the all electric HuntVe 4x4 is proud to announce a personal endorsement with Harold Knight and David Hale.

Harold Knight and David Hale are the legendary founders of Knight & Hale Game Calls. Both Harold and David both personally own the HuntVe 4x4 Game Changer edition. Spending thousands upon thousands of hours in the woods studying deer, turkey, and waterfowl has enabled this pair of Cadiz, Kentucky country boys to understand and interpret the behavior of countless game animals. So, they've taken this knowledge and applied it to their products for years, which is why with Knight & Hale; you get more than just the best calls in the business. You also get a lesson in animal behavior that makes you a true outdoorsman.

The HuntVe will be featured for the 2010 seasons of Knight & Hales Ultimate Hunting Adventures Television airing on the Outdoor Channel.

The HuntVe is the premium electric UTV line in its class. It is unmatched in workmanship and performance. For more information contact Ben King, President, Martex Global Enterprise LLC. Phone: 888-554-5953 or ben@huntve.com. Web site: www.huntve.com
