enVe LSV Pickup

Fort Worth, TX (October 2009) - Martex Global Enterprise, LLC is pleased to announce production of the all new electric enVe LSV. This vehicle meets the Low Speed Vehicle requirements as defined by NHTSA rule 500 and is legal to drive on streets with a posted speed of 35 MPH and less.

For qualified buyers, a tax credit of \$6,036.00 is available from the IRS on the purchase of an enVe 4x4 or 4x2 vehicle if put into service by December 31, 2009. More information about the IRS rules can be seen on the web at <http://www.irs.gov/pub/irs-irbs/irb09-26.pdf>. The taxpayer should seek advice based on the taxpayer's particular circumstances from an independent tax advisor.
